

CURRICULUM VITAE

Mustafa A. Aribi
Lecturer and Technical Trainer
Department of Env. & poll. Tech. Engineering
Southern Technical University
Technical College of Basrah
Basrah, Iraq- Alzubair City
+9647802812897
Email: mustafaeng100@gmail.com

PROFILE

EDUCATION

- MS Chemical Engineering, University of Basrah/ Iraq, 2011
BS Chemical Engineering, University of Basrah/ Iraq, 2007

PROFFESIONAL CERTIFICATION

- | | |
|-----------------------------------|--|
| Corrosion Treatment | Southern of Technical University, 2013 |
| Fuel improvement | Southern Oil Company, 2010 |
| English Diploma Certificate | University of Basrah, 2011 |
| Microsoft Power Point Certificate | Technical College of Basrah, 2014 |

PERSONAL DATA

Nationality: Iraqi Citizen

Single

Engines maintenance, reading, computer skills, Enjoys travel

EMPLOYMENT AND ACADEMIC POSITION

- Lecturer, Southern Technical University- Petrochemical engineering Department, since Dec., 2011 - till 2013
- Lecturer, Southern Technical University- Environmental and Pollution engineering Department, since Nov., 2013 - Currently

INDYSTRY EXPERIENCE

- Work in Southern Oil Company, Negata-Fuel Improvement.

RESEARCH, PUBLICATIONS, AND OTHER SCHOLARLY ACTIVITIES

RESEARCH AND TEACHING INTERESTS

- Chemical Engineering Thermodynamics.
- Air Pollution Control.
- Computer
- Mathematics
- Fluid Mechanics.

JOURNALS AND REFEREED PROCEEDINGS AND CONFERENCES

Published

1. Sultan A, Helo A, Mustafa A, 2013, Assessment of Hydrocarbons and Trace Metals Pollution in Waters and Sediments of Fertilizer Company Waste in Khor Al-Zubair, Iraq. University of Basrah, Journal of Basrah Researches
2. Sultan A, Mustafa A, 2013, Study the Inhibition Effect of Ethanol Extract of Sonches Asper (EESA) on Mild Steel in 1M HCl in different Temperatures. The Journal of Babylon-Hilla University.

Other Conference Presentations

I was attendant in "Oil and Gas in Basrah Conference". 2014.

I shared in Environmental day 2017. In Southern Technical University.

AWARDS:

1. Two Recognition letters from the dean of Basrah Engineering College 2014 - 2016.

MEMBERSHIPS:

1. Active member in the Iraqi Engineering Union 2011.
